*Based on 2009 FMAP

*Exp = Expansion State (A state with coverage of parents and childless adults at or above 100 percent of FPL that is not based on employer or employment. Such coverage may be less comprehensive than Medicaid, but must be more than premium assistance, hospital-only benefits, or health savings accounts.)

*HNS = High-need State (A state that has total Medicaid enrollment below the national average for Medicaid enrollment as a percent of state population and has a seasonally-adjusted unemployment rate greater than 12% for August 2009.)
